Alberta Government Telephones - Pink
The Secretary-Treasurer advised that a letter had been received from the Alberta Government Telephones dated

July 30, 1965 referring to the Town's inquiry for its inclusion under numerical listings in future telephone directories to be distributed to the Town of St. Albert. This letter stated that it is not the policy of Alberta Government Telephones to include numerical listings of telephone numbers, and also that the City of Edmonton would be dropping this feature in all future directories.
Cleaning of Piron Street - Mr. Cheating

advised Council that Mr. Maandag, the Town Engineer, had, under a memorandum dated July 26, 1965, reported that Piron Street would be cleaned at least once every two weeks in the early morning hours.

zard to this matter. The letter dated August 9, 1965, states as follows: "It is our opinion that the purchaser of a residential lot, (whether he is a building contractor or the prospective homeowner), takes the land as it is, and that the Town is not responsible if the builder does not follow the lot elevations, or if the house owner fills in a drainage swale. It is our further opinion that if other house owners should cause additional water to be diverted on to Mr. Butherford's lot, no responsibility rests with the Town.

Mr. Sheeting indicated that your engineers are satisfied that the original elevations were proper, and we therefore feel that any further action on the Town's part would be purely gratuitous." after a very lengthy discussion on this matter with Mr. Butherford, the majority of members of Council felt that the feud lies with adjacent homeowners because they did not comply with the set grade and drainage patterns of their lots.

Dr. Stewart moved that a letter over the Mayor's signature be written to the town holders who are aggravating Mr. Butherford's drainage problem drawing their attention to the fact that they have not conformed to the original drainage pattern in that they did not provide ditches or weirs between the lots, and request them to take some action to assist Mr. Butherford in this matter, and further advising that according to the Town's position no legal responsibility attaches itself to the Town in this matter and offering the Town Engineer's assistance in an advisory capacity. Carried.

Petition Pertaining to the Excessive Sound of Car Horns - St. Albert Drive-In Theatre

The Secretary-Treasurer advised Council that Mrs. Helen Stille was now present to discuss the matter of a petition signed by 96 residents of the Grandin Park area in regard to the excessive sounding of car horns at the St. Albert Drive-In Theatre. Mrs. Stille stated that she had personally been kept awake until four o'clock in the morning with regard to this particular noise and had phoned the S.A.P.D. but this had not accomplished the desired result. She had also contacted the owner of the Drive-In Theatre and his response to her complaint was that the Drive-In Theatre had been there longer than the residents of Grandin Park.

Mayor Fowler interjected at this point that he had been in touch with Mr. A. Hauptman, the owner, and the indication that he had received from Mr. Hauptman was not the fact that the Drive-In had been there longer but that the owner could be nothing about this problem. Mayor Fowler also stated that he had contacted a Drive-In in the city of Edmonton and that they had hired a commissioner to try and put a stop to this problem. However, Mayor Fowler stated that he would be meeting with Mr. Hauptman further to discuss this problem.

Mr. Hauptman was also present at this meeting and could not at this time come up with a solution to the problem.

Press Will Receive Copies of Council Meetings - Mr. Sheeting explained to Council that after the adjournment of the regular meeting of Council held on July 26, 1965, it was suggested that the Press could receive copies of the Council Minutes, prior to their adoption. This would appear to be in contravention of Resolution (1965) and now asked Council's consideration in bringing this policy up-to-date. Dr. Stewart moved that a copy of the Council Meeting Minutes be made available, free of charge, to members of the Press, and that each copy be clearly annotated with a stamp "Not Approved Minutes". Motion Carried. Council requested that Mr. Sheeting write letters to all news mediums attaching a copy of the Minutes and telling them that they are available if they should wish to receive them on a regular basis.

Department of Public Health re Hospital District No. 135 - Mr. Sheeting advised Council that an official letter from Mr. J.L. Lamont, Executive Director, Department of Public Health, dated July 28, 1965, had been received in regard to the extension of the Sturgeon General Hospital District No. 135. Attached to this letter was a copy of Ministerial Order No. 47 3-65, a copy of the Alberta Hospitals Act, a copy of regulations under the Act, and a copy of the Sturgeon General Hospital District Program.

Mr. Hauptman requested in his letter that the Council of each municipality or portion thereof included in the Sturgeon General Hospital District should indi-

cate by resolution acceptance of the Program, and forward a copy to the Department. Council was of the opinion that this program should be further study before voting on the matter and the following resolution was suggested: Professor Baxter moved that this matter be referred to the Finance Committee, and that a copy of the Ministerial Order and Program be sent to all the members. Carried.

St. Albert & District Chapter of Commerce Annual Grant - The Secretary-Treasurer advised Council that a letter had been received from the St. Albert & District Chapter of Commerce making application for their annual grant. Mr. Sheeting now asked Council's consideration of said Council. Mr. Bob Parson moved that this Council authorize the staff to face payment of the grant to the St. Albert & District Chapter of Commerce. Carried.

War Memorial - Councilor Stewart advised that the war Memorial on the corner of Thornhill Avenue and Peace Street had been destroyed by vandals, and asked if this had been reported to the S.A.P.D. and also what progress the War Memorial side in accordance with Resolution of Council Meeting Minutes dated July 26, 1965.

Mayor Fowler reported that he had spoken with the President of the St. Albert Royal Canadian Legion and was a representative of their memorial committee. They had, at that time, agreed to erect a statue to place a new memorial and had come to the conclusion that the most likely site for the war memorial would be between the Town Hall and the main

Churchill Avenue. Mayor Fowler explained that the new cenotaph would be approximately 2' x 3' x 5' high and recommended that Council approve in principle the above location in cooperation and with the advice of Mr. A. Gate, Parks Superintendent. He also stated that if Council should approve this at tonight's meeting that the new memorial would likely be in place in the next three months.

Mayor Fowler moved that the Town approve the location of a new Cenotaph on the grounds between the Town Hall and Winston Churchill Avenue in consultation with the Parks Superintendent, Mr. A. Gate. Motion carried.

Amateur Policy - Form of Government
Councillor Bakker requested that the Council start preparing a by-law to change the form of government from Mayor, Council, Secretary-Treasurer to Mayor, Council, Secretary-Manager. He was of the opinion that this by-law should be put before the electorate in the forthcoming

election. Mayor Fowler suggested that Council set up a special meeting for discussion of this matter as it would cover a wide field and would no doubt cover a full evening's work. Councillor Bakker moved that this idea be placed on the Agenda for the Council Meeting to be held on August 25, 1965, to set up a Special Meeting in form of government. Motion was carried.

Mr. Cheating was requested to write to the City of Saskatoon to obtain a copy of its Homeowner's By-law, and also the City of Cambridge to obtain its Manager's By-law.

Special Council Meeting, August 12, 1965
No Sport Complex But \$244,000 Swimming Pool Before April 1, 1966 — On calling the meeting to order Mayor Fowler explained to Council that on Tuesday, August 10, 1965, he and the Secretary-Treasurer had met with the Local Authorities Board to discuss the 1965 budget generally, and in particular to discuss

the Sports Complex.

Mayor Fowler stated that the Local Authorities Board left no doubt in his mind that the Sports Complex would not be approved, therefore, the Mayor recommended that the Council not proceed with By-law 17/65 which was the Sports Complex by-law. He felt that Council should consider a lesser program and present this lesser program to the Local Authorities Board immediately. Councillor Bakker moved that this Council not proceed with By-law No. 17/65 in the amount of \$65,000, being a By-law to provide the Town of St. Albert with a Sports Complex. The motion was carried. Mayor Fowler then stated that a new money By-law had been prepared which would cover the construction of a swimming pool only. This swimming pool would be the first stage of a Sports Complex, and that the other portions of the Com-

For we are not self-sufficiently independent of our social, political, govern-

UNITED CHURCH

St. Albert United Church News
Throughout the month of August the Jointed Services of Broadside Presbyterian and St. Albert United Churches are being conducted by Rev. W.D. Jarvis, B.A., B.D., of Broadside Presbyterian Church. Anyone requiring the services of a minister this month is asked to contact Rev. Jarvis at 599-8181.

On Friday, August 27, at 8:00 P.M. the Inception Service for the Reverend L.J. Muir to the congregation of St. Albert United Church will be held in the Church. Please make a real effort to attend this service to welcome our new minister, his wife and family to St. Albert. There will be a social hour following the service in the Church basement. Coffee and refreshments will be served.

During the month of August, Mr. Irving will be in the Church office most mornings. The number is 599-8555.

The end of the summer season is rapidly approaching and with it, preparation for our '65-'66 Christian Education program is speeding up. Many people have volunteered to help out, but men and women are still desperately needed to lead in the mid-week groups and to teach in the Church School. Unless you are willing to help in some capacity it may be that your child will have to do without a very important part of his Christian training. If you feel you would like to help out, please phone Mr. S. Binders at 599-6214, or Mr. A. Ralph at 599-7305, or call Mr. Irving at the Church office.

A slide lecture on present-day and historic Palestine will be given this Sunday at 8:00 p.m. at the Paul Kane High School. This travelogue will be presented by Dr. Paul Peters, who recently went on a study tour sponsored by the University of Wisconsin.

Dr. Peters is professor at the Wisconsin Lutheran Seminary and is presently visiting the family of Rev. E. Klassen here in St. Albert. The interested public is invited to attend this free lecture.

PRESBYTERIAN CHURCH

The minister has returned from vacation after serving with the Boy's Canadian Air Force during the month of July at Rivers, Manitoba as Chaplain. During the first week in August he directed the Junior Boys Camp at Sylvan Lake. Ricky and Jimmy Horner attended from St. Albert. Mrs. Jarvis was camp nurse. Mr. Jarvis will be preaching at the joint services in the United Church and may be called upon by either congregation in case of pastoral need during the month of August.

RENTAL TEXT BOOKS WILL BE ISSUED ONLY ON PRESENTATION OF PROOF OF PAYMENT OF RENTAL FEES.

Should it not be possible to make payment of Book Rental Fees on Registration Day, parents are requested to make arrangements with the District Office before August 31st, 1965. A Voucher will be issued which may be presented to the school at the time of registration.

Book Rental Fees will be accepted at the schools only until 12:00 noon on September 1st as the staff will be involved during the afternoon in staff meetings, organizing and preparing for regular classes on the following morning.

Parents are asked to impress upon their children to take good care of these rented texts. Loss, or damage beyond normal wear will necessitate an extra charge or replacement by parents.

Pilgrimage - Sunday the 15th of August, the Feast of the Assumption of Mary, Mother of Christ Our Lord into Heaven, was marked as a day of celebration for this great Feast, as well as a day of prayer before the Grotto, which was erected in her honor, a replica of the famous Grotto of Lourdes, France. During the day, more than 1500 Pilgrims came from many parts of Alberta. Besides the usual schedule of Masses, the 11:30 High Mass, was offered at the Altar in the Grotto. Reverend Father Thibault, O.S.I., Director of the Star of the North Retreat House officiated. During his sermon, Father Thibault reminded us that the Assumption of Mary was a sign of victory for us who are left on earth, and an assurance that some day we too would follow her and her Divine Son. He spoke of Brother Frederick Bokenfohr who pronounced his perpetual vows in the Congregation of the Oblates of Mary Immaculate during this Mass, and of the deep desire of all Religious to help the layman in their quest to heaven.

The pleasant weather provided a perfect setting for the beautiful ceremonies which followed in the afternoon. Beginning with the Investiture of the Knights of the Altar at 2 P.M., the Marian Holy Hour followed immediately with the Procession of the Blessed Sacrament at 3:00 P.M. The Blessing of the sick marked the closing of the Pilgrimage. Special thanks for the success of the Pilgrimage to the Parishioners, Members of the Knights of Columbus, J.W.L., and Knights of the Altar.

ST. ALBERT KINSMEN RODEO 104

Once again rain played havoc with the efforts of the St. Albert Kinsmen in their attempt to stage St. Albert's first professional Rodeo in many years.

High winds and heavy rain forced the cancellation of Friday evening's performance. However, Saturday turned out to be a fairly pleasant day and the Kinsmen were finally able to get Rodeo 104 off the ground. Unfortunately the attendance was very disappointing and the support from St. Albert extremely poor. It is a tremendous let down for a group which has nothing whatsoever to gain personally from the staging of such a venture. Saturday's performance of Rodeo 104 was the culmination of approximately 1000 hours of planning and work by 30 men in an effort to raise money for the development of recreational facilities for St. Albert. The result of these efforts is a loss of several thousand dollars.

On the brighter side, those who took in the rodeo were treated to a top notch show which was handled in a most professional manner. The stock supplied by Reg Kesler of Rosemary, Alberta was of the highest caliber and worked high and hard. The contestants who participated included most of the cowboys in the lead for the various Canadian championships and their closest rivals (see results following). A highlight of the show was the trained horse act provided by Ken Boen of Sweetwater, Arkansas. Boen is definitely one of the top rodeo performers in North America and the demand for his services is great. Immediately following his appearance in St. Albert, Boen left for a week long rodeo engagement in West Virginia.

Rodeo announcer, Bill Holt, did an excellent job in keeping the audience well informed at all times and his wife, Romana, who acted as Rodeo secretary, was continuously busy from the time of arrival on Thursday until their departure for the southern coast of Washington late Saturday evening.

The Kinsmen Club of St. Albert would like to express their thanks to those who attended the Rodeo and also to those who purchased tickets on the 21, 22 and 23. Thanks are extended as well to the other St. Albert organizations and individuals who participated in any way in an attempt to make a success of this venture. It is a shame that so many of these groups should also be supported so poorly.

Despite this set-back you can be sure that the Kinsmen Club of St. Albert will be heard from again and that plans will

companion.

4. Stay out of canoes and row boats if you cannot swim. Learn about boats from a competent person and in shallow water.
5. Learn to tread water, hands only and feet only. It is useful for observing, resting and assisting someone else.
6. Condition the body to the temperature of the water by splashing ankles, wrists, back of neck and over the heart before entering. Fainting may result if an overheated body is suddenly cooled off.
7. Investigate conditions before entering strange water. Enter feet first. Dive only when conditions are known to be safe.
8. Preserve strength. If tired, tread water, float or swim on your back slowly to regain strength and breath.
9. Call for help when needed. Be a humble survivor rather than a proud corpse.
10. Avoid weeds if possible. However, if caught in weeds, swim slowly on the surface using the breast stroke and call for help.
11. Use the jellyfish float to relieve leg cramps or to remove clothing in the water.
12. Swim diagonally and with the current. Swimming into the current is very exhausting.
13. Swim with an undertow (usually found in oceans or large lakes.) The undertow weakens in 10 or 15 yards and you can swim to the surface.
14. Use under-water swimming when trapped under rafts or boats - when oil is blazing on the surface or when recovering objects.
15. Avoid pushing or ducking companions or calling for help unless you need it.
16. Remove clothing when faced with a long swim to save yourself or rescue another person.
17. Novices and non-swimmers must avoid using inner tubes, plastic beach balls, logs, etc. for support.
18. Climbing onto floating logs should be done at the butt end. Climbing from the side causes the log to roll.
19. Avoid swimming in the dark.
20. Wear a life jacket, preferably one with a collar, when water skiing.

WATER SAFETY KNOWLEDGE

Learning to protect oneself in or on water is as essential as learning to swim, regardless of ability should be familiar with all the hazards of water activities. Many drownings could have been avoided if the victims had learned water safety knowledge.

1. Poor swimmers and non-swimmers should be supervised closely when swimming or playing near the water.
2. Wait 2 hours after a heavy meal before swimming. A full stomach contributes to stomach cramps.
3. Swim parallel to the shore in chest deep water. Always swim with a capable

highway and its many signs, if you take a certain road to the west, to the left, we have a road to the west and to the east upon a quiet road, both sides adorned by bushes of vivid pink Alberta roses, the air heavily scented with their sweet perfume, defying the intruder to inhale any other which might be nearby. Our recollection of a well-kept flower garden fades, and we find ourselves acutely aware of nature's work in the field but for the taking, so beautiful, so exotic! No passerby had come to take them away, and in the end with our spruce trees, to be added one day and relegated to the dump next. But the thought occurred, will they meet the same fate as other roadside trees, and be hewn down to make way for a wider road? A wish welled up within, hoping that no machine would come this way, to take away these beautiful roses that were like Alberta to many, as it often says, "the roses of Alberta".

our wait?
y the rapidly disappearing leaves on
our calendar, time must be marching on!
Our many clubs will be mustering their
members to regular meetings, and plan-
ning to do their best for the coming year.
There seems to be a spirit of "good will"
to the and talents - another reason why
the year will be so good. A heart

We are all very glad to hear that it was a
 success. We realized, thanks to Mr. E. Per-
 son and others who organized it as well as
 to those who attended. These funds
 will go towards improving accommodation
 now available to this club. Members
 wish to thank particularly Mr. E. Per-
 son and others for the cooperation
 and effort.
 A meeting will be held at 8:00 p.m.
 on the 10th of the month at the
 Club House. The registration fee
 points on registration will be taken
 then. Further announcements and dates
 will be provided in a future edition of

Material was taken at 4:30 P.M. at the
Avenue, Edmonton
which was decorated with baskets of pink
flowers. The bride and groom were
Pauline Doris, daughter of Mrs. Margaret
Goad and Richard Nigel, eldest son
of Mr. and Mrs. Gordon Gordon of St.
Albert. The bride wore a lovely gown
of fine white net over heavy silk mat-
erial which was fashioned in tradition-
al lines ending in a formal train. A
shoulder-length veil with crown of pearls
and crystals completed the ensemble
while she carried a spray of yellow
roses.

The groom's aunt, Mrs. Andrew Young flew over from Essex, England for the wedding, also his uncle and aunt from Winnipeg, Mr. & Mrs. D. Jessop. The young couple are taking up residence at 1414 W. 12th where Leonard will be a member of the Holy Trinity church.

Mrs. Andrew Young returned to England August 4th after a summer tour of the Rockies from Banff to Jasper.

Reverend M. Lafrance O.S.I. officiated at the Requiem High Mass preceding the funeral which took place at the Holy Cross Cemetery.

The former Mironka Shelenko, aged 32,
passed away on August 12th, leaving to
mourn her loving husband, Clarence of
LaSalle Crescent, St. Albert, three
daughters, Loretta, Marie, and Carmen
and at home her parents Mr & Mrs.
Steve Shelenko of Edmonton, two brothers
in the army of New York, back of
the Saskatchewan, and her many friends
and neighbors.

The choir sang beautiful Psalms in English, and Mrs. Kennedy was at the organ. Our heartfelt sympathy to Mr. Kambeitz and his three small daughters, her parents and brothers.

NEW MEMORIAL MONUMENT

Members of the St. Albert Legion will soon build a new cenotaph erected by the Town of St. Albert north of the Town Hall. After years of trying to get a place, our Legion has succeeded in finding a proper site for the St. Albert Memorial Cenotaph. Negotiations between Mayor J. W. Durocher, president of the Legion, and the Town of St. Albert, resulted in a quick but successful purchase of a new site. The Town has granted the Legion a plot of land to be held within the Town of St. Albert. All our citizens will be able to see the new cenotaph in four weeks the work on the monument can be started. The Legion gives to the people of St. Albert the disinterested contribution but due to the fact that the money was placed in the hands of the proper authorities, the proper fund was established.
